ORDER

Issued: May 20, 2005

Released: May 23, 2005

Florida Cable Telecommunications Association, *et. al* ("Complainants") have been previously granted an extension of time to May 23, 2005, to file a motion to compel production of documents and/or to compel answers to interrogatories. *See Order* FCC 05M-25, released April 25, 2005.

On May 19, 2005, Complainants filed Stipulated Request for Second Extension of Time to File Motions to Compel. It pertains to the continuing review of 1,610 pages of documents that were produced in discovery by Gulf Power on April 19, 2005. *Id.* In addition, Gulf Power had identified "additional responsive documents" that would be made available for inspection and copying. Therefore, an appropriate period of time was needed to effectively review documents produced, and to arrange to travel to several locations to conduct "additional" document discovery. The document review has not been completed.

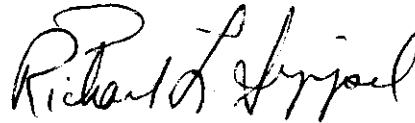

Complainants represent:

Because of scheduling constraints of counsel, the earliest time that Counsel for the Complainants and Gulf Power could agree to [coordinate a Pensacola document review] is May 26th and 27th.

Complainants have shown cause for additional extension of time. Complainants now request an extension of "14 days from the date they receive copies of the Gulf Power documents" to file motions to compel. Such extension of time will be granted for Complainants to complete document review, receive documents, and file motions.¹

Accordingly, IT IS ORDERED that the time within which Florida Cable Telecommunications Association, Inc., *et. al.* may file motions to compel [47 C.F.R. § 1.325(a)(2)] SHALL BE EXTENDED to the 14th day from the date that Complainants receive copies of the Gulf Power documents, as represented in the Stipulation.
